UNDERGRADUATE STUDENT TOUCHTONE CONFIRMED REGISTRATION INFORMATION & INSTRUCTIONS

HOW TO REGISTER

All students who are eligible to register for Fall 1996 will receive an *Invitation to Register* in the mail, along with a telephone registration worksheet. Students who have not yet paid their bill at the Bursar's Office or students who have not yet filed an Immunization Form with the Health Services will not be eligible to register until cleared. After paying to the Bursar's Office or filing an Immunization Form with the University Health Services, students MUST reactivate their status at the Office of the Registrar in order to register. If you do not receive an invitation in the mail, you should contact the Office of the Registrar for information.

In order to use the telephone registration system, you must have a **PIN** (Personal Identification Number). STUDENTS ARE ASSIGNED A NEW **PIN** EACH SEMESTER. THEREFORE, THE **PIN** YOU USED FOR THE PREVIOUS SEMESTER IS NO LONGER VALID. If your new **PIN** is not printed on your *Invitation to Register*, you need to obtain it from your academic advisor or department, or from the University Advising Center if you are CAS undeclared major or a CM undeclared concentrator during the Advising Period. Your **PIN** is your password which, along with your 9-digit student ID number (usually your Social Security Number), will allow you to access the telephone registration system.

WHERE TO RECEIVE REGISTRATION ADVISING:

1. CAS declared majors at their major departments.
2. CAS undeclared majors should go to the University Advising Center, McCormack building, 3rd Floor, room 625.
3. Management majors without a declared concentration should go to the University Advising Center, McCormack building, 3rd Floor, room 625. Management majors with a declared concentration should go to the Undergraduate Program Office for the College of Management, McCormack building, 5th Floor, room 603.
4. Nursing majors must make an appointment with their faculty advisor at Science building, 3rd Floor, College of Nursing faculty offices.
5. Human Performance and Fitness majors at Science building, 3rd Floor, room 301-14.
6. All CPCS students should use their chosen advisors or go to the Academic Affairs Office at Wheatley building, 4th Floor, room 148B.

Important Note:

1. In order to register for the Fall 1996 semester, students MUST CALL IN THEIR COURSE REQUESTS DURING THEIR ASSIGNED ACCESS PERIOD (as printed on their *Invitation to Register*).
2. *Students who miss their early access period and register late will be charged a fifty dollar ($50.00) Late Registration Fee.*
3. Call the system as early as possible within your access period to avoid getting a busy signal and to increase your chances of receiving your primary choices for courses.
4. Registration is on a first call, first serve basis within your assigned access period which is determined by the total number of graduation credits and/or competencies earned.
5. You are allowed to call the system as frequently as necessary during the touchtone system access period. (Please note the touchtone system availability times.)
6. *Registration for a course is subject to seat availability and eligibility restrictions.*
7. After touchtone system access period, your last opportunity to add or drop classes for Fall 1996 semester will be the Add/Drop Period, September 3 through September 10, 1996.

WHEN TO CALL

In order to register for the Fall 1996 semester, YOU MUST CALL IN YOUR REGISTRATION. Registration is on a first call first serve basis within your assigned early access period which is determined by the total number of graduation credits earned. *Students who miss their early access period, as printed on the* Invitation to Register, *and register late will be charged a fifty dollar ($50.00) Late Registration Fee.* Call the system as early as possible within your early access period to avoid getting a busy signal and to increase your chances of receiving your primary choices for courses. You are allowed to call the system as frequently as necessary for the duration of Touchtone Registration. Please refer to your *Invitation to Register* for dates of operation. *Registering for a course is subject to seat availability and eligibility restrictions.* After Touchtone Registration ends, your last opportunity to add and drop classes for Fall 1996 semester will be the Add/Drop Period, September 3 through September 10, 1996.

BEFORE YOU CALL

Be prepared BEFORE you call. Complete the worksheet on the back of your *Invitation to Register* by writing down your course selections, your alternate choices and pass/fail selection. The total length of your call cannot exceed 15 minutes. If you are confused, have difficulty, or need more time, you may terminate your call and call back later to complete your request(s). The system will remember what you have done to that point, and you will only need to complete your unfinished request(s).

IF YOU DON'T HAVE TOUCHTONE SERVICE

If you are calling from an area which does not yet have touchtone service, you can still use the system if you have a push-button telephone that has a switch that can be changed from "PULSE" to "TONE." With the switch on PULSE, dial the system. When you hear the welcome message, change the switch to TONE for entering your information.

IF YOU DON'T HAVE A PUSH-BUTTON TELEPHONE

If you don't have access to a push-button telephone you should use a pay phone. There are public telephones on Campus.

LOST PINS

If you lose or forget your PIN (Personal Identification Number), you may come to the Office of the Registrar with a picture ID to get it replaced. Because your **PIN** is confidential, we are unable to give you your **PIN** over the telephone!

SCHEDULE CONFIRMATION

Before the beginning of next semester you will be mailed a copy of your actual course schedule. Anytime, during or after your assigned Early Access Period, you may call the system to confirm your schedule by entering action code '60'. In addition, you may go to the Office of the Registrar with a picture ID and request a printed copy of your schedule if you need one.

CREDIT LIMIT

You may only register for courses up to your maximum semester credit limit. Your credit limit is printed on your *Invitation to Register.* In order to Register for a credit overload, you have to obtain a "Credit Overload Approval" form from the College of Arts & Sciences Associate/Assistant Dean for Academic Studies if you are a CAS student, or from your Academic Advisor if you are a College of Nursing or College of Management student, and bring it to the Office of the Registrar.

VARIABLE CREDIT

When you register for a variable credit course (such as an Independent Study course), you will be asked to enter the number of credits you wish to register for. The system will tell you the minimum and maximum number of credits available. You must respond with a 2-digit number. For example, if you want to indicate 3 credits, you

must enter '03'; to request 12 credits, enter '12'. If you fail to enter a credit amount, the minimum credit value will be assigned.

MULTI-PART COURSES

Some courses have LABS and/or DISCUSSIONS, as well as LECTURES. *You must add the lecture part of these "multi-part" courses first.* Add LABS or DISCUSSIONS the same way you add the LECTURE portion of a course. If you request the lecture of a multi-part course, the system will state that you are missing a lab or discussion. **IMPORTANT NOTE:** If you fail to add **ALL** necessary parts (Lecture, Lab and/or Discussion) of a multi-part course, the system **WILL DROP** the course from your schedule at the end of the session.

PASS/FAIL REQUESTS DURING REGISTRATION

The system will not allow you to request more than one course with a Pass/Fail grading option. (Mandatory Pass/Fail courses are not counted toward this limit.) If you wish to change the course that you want to take Pass/Fail, you would use the action code '80'. (Please read Pass/Fail Policy.)

SWAPPING SECTIONS

To SWAP from one section to another section WITHIN THE SAME COURSE, simply add the new section that you want. The old section will automatically be dropped from your schedule.

TIME CONFLICT

If you have registered for two courses that meet at the same time, the system will only warn you. The system will not take any action!

MISTAKE?

If you accidentally enter an incorrect action code, enter '000000' when you are asked for the schedule number and you will be brought back to the prompt to enter an action code. You can then enter your desired action code. The system will tell you if you enter an invalid schedule number, and will give you an opportunity to correct it.

LIST SCHEDULE

Before you end your call, do a LIST (action code '60') to verify that you have entered your requests completely and correctly. The system will read back to you all of the courses you have registered. To end the reading of the list, press any one of the number keys on your telephone. To skip to the next course on the list, press the * key.

TERMINATING YOUR CALL

To end your call, enter # #. The system will know you are finished and will perform some overall checking of your schedule and credit total. If you are unexpectedly disconnected during your call, the transactions you entered successfully up to that point will be saved.

PHONE NUMBER & AVAILABILITY

Touchtone Registration System phone number is (617) 265-2100 and it is available Monday through Thursday 9:00 a.m. to 9:00 p.m., Friday 9:00 a.m. to 4:45 p.m., Sunday 10:00 a.m. to 9:00 p.m. (Check your *Invitation to Register* for dates.)

WAIT LIST FACTS

If a course you request is filled you will be offered the opportunity to go on the wait list. If you select this option, please remember the following guidelines: 1) You may not be registered in one section of a course and go on the wait list of another section of the same course. 2) If all sections of a course are filled, you may only select one section of that course to be put on the wait list. 3) You may not be registered for one part and go on the wait list for another part of multi-part courses (i.e., Lecture, Lab, Discussion). You must select an available section for all parts of a multi-part course at the same time in order to be registered. Lecture section(s) of a multi-part course is balanced in seat number with lab and/or discussion section(s). Therefore, if you are in a lecture section, you may not be on the wait list for a lab section while being registered for another lab section. 4) When you place your name on the wait list for a course, you are **NOT** registered in that course. You **MUST** attend the first class meeting of the semester for that particular course to find out whether space has become available. If space has become available and the instructor allows you in the class, **you MUST obtain the instructor's signature on an Add/Drop form before the end of the Add/Drop period, September 10, 1996**. Add/Drop forms are available in the Office of the Registrar, Quinn Administration building, 1st Floor. 5) All forms must be returned to the Office of the Registrar (Quinn Administration building, 1st Floor.) no later than September 10, 1996. Office hours for the **Add/Drop week, September 3 through September 10, 1996** are Monday through Thursday 8:30 a.m. to 8:00 p.m., Friday 8:30 a.m. to 5:00 p.m.

SEMESTER SCHEDULE BOOKLETS

Please save your schedule booklet until the end of the Fall semester 1996 as you will need to use it for Touchtone Registration, Add/Drop, Course Pass/Fail, Course Withdrawal, and Final Exam information.

1. The schedule booklet is the list of courses that will be offered in the Fall 1996 semester. Your program for the next semester should be chosen from this booklet, along with the course addendum, which is a list of changes made to the schedule booklet (added sections, canceled courses, etc.). Please do not select courses from the schedule booklet without checking the addendum, as changes may have been made.
2. CPCS students can obtain the CPCS Instructional Activity Book and addenda from CPCS Academic Affairs Office, Wheatley building, 4th Floor.
3. For a complete listing of all courses offered with descriptions, please use the UNIVERSITY BULLETIN.

IMPORTANT REGISTRATION INFORMATION

Registering and acceptance into a course(s) incurs a financial obligation for that course(s).

Your obligation can only be removed if you withdraw from the University prior to the start of the semester.

Your tuition and fees will be reduced if you:

1. Reduce your course load during the Add/Drop period or
2. Completely withdraw from the University prior to the sixth week of the semester.

You are financially responsible for any registered course(s) remaining on your schedule as of the end of the Add/Drop period, even though you:

1. Completely withdraw from the University after the sixth week of classes or
2. Withdraw from course(s) after the Add/Drop period or
3. Receive a grade "NA" (see below).

Failure to attend classes does not constitute withdrawal. A withdrawal is an administrative procedure. Students must officially withdraw from a course using the Touchtone system. If you have not dropped a course by the end of the Add/Drop deadline, not only will you be liable for the tuition but you will also receive one of three grades: 1) The grade of "NA" (not attending) will be given if your instructor takes attendance and submits the grade of "NA" to the Office of the Registrar; 2) If the instructor does not submit an "NA" list and you do not drop or withdraw from the course, you will receive the grade of "F"; 3) The grade of "W" will be given if you withdraw from courses after Add/Drop period via touchtone system by the published deadline.

COLLEGE OF MANAGEMENT (CM) — FALL 1996

REGISTRATION AND ADVISING

A full-time registration for CM students is a maximum of five courses. Registration for more than 15 credits requires permission. Normally such permission is given only when a student's cumulative grade point average is 3.0 or above. To receive permission see an advisor in either the University Advising Center (M/3/625) or in the CM Undergraduate Program Office (M/5/603).

CM students who have over 60 credits and have officially declared a concentration can see an advisor in the CM Undergraduate Program Office (M-5-603) 287-7760 by appointment. Walk-In advising will take place between April 29 - May 3, 1996 from 8:30 a.m. to 6:00 p.m., Monday through Thursday and from 8:30 a.m. to 5:00 p.m. on Friday.

CM students who have less than 60 credits and have not officially declared a concentration can see an advisor in the University Advising Center (M/3/625) from 8:30 a.m. to 6:00 p.m., Monday through Thursday and from 8:30 a.m. to 5:00 p.m. on Friday.

All 300 and 400 level CM courses, including Management Core and Concentration requirements, may only be taken after the student attains junior (earned 60 credits) or senior (earned 90 credits) standing and has met all course prerequisites.

INCOMPLETE COURSES

Students who have received an incomplete grade in a course through a prior arrangement with an instructor must go to the original instructor, or in his/her absence to the Department Chair, to make arrangements to complete the course. **Do not reregister for the course.**

PASS/FAIL REGULATIONS

Students in the College of Management may only take elective courses on a pass/fail basis. Required courses in general education, the management foundation, management core and concentration may not be taken pass/fail.

NON-MANAGEMENT STUDENTS IN CM COURSES

Non-management students may only register for AF 201, Personal Finance, AF 210, Financial Accounting, and AF 211, Managerial Accounting, MS 110 Introduction to Computers and Information Systems. Registration in all other College of Management courses is closed to non-management students.

During the Adjustment period, non-College of Management students are invited to enroll in any other CM courses for which they have met course prerequisites. At least sixty (60) credit hours are required for all 300 and 400 level CM courses.

HUMAN PERFORMANCE AND FITNESS — FALL 1996

ADVISING/REGISTRATION PROCEDURES

Faculty will be available in the Human Performance and Fitness office to assist students with course selection during Advance Registration. Majors must make an appointment with a faculty member before registering for courses, between April 16 and May 3, 1996. Students may not receive their Personal Identification Number (PIN) to register without making an appointment with their faculty advisor.

All Human Performance and Fitness majors must fill out a major registration form each semester. Each faculty advisor will have these forms or they may be picked up in the Human Performance and Fitness office. Please check to see that your name is on the department list of registered majors and that you have been assigned to an advisor. This list is posted outside the main office for Human Performance and Fitness, Science building, 3rd Floor.

COURSE SELECTION

Degree requirements are available in the Human Performance and Fitness office. Human Performance and Fitness majors are expected to complete the core curriculum as set forth by the College of Arts and Sciences and are required to demonstrate proficiency in writing as outlined by the College of Arts and Sciences. Further information about the Writing Proficiency Requirement can be obtained from the College's Core Curriculum Office, M/4/603.

UNDERGRADUATE TEACHER CERTIFICATION PROGRAMS — FALL 1996

REGISTRATION PROCEDURES AND INFORMATION

1. All students accepted into teacher certification programs will receive Registration advising in their **major departments**.
2. **Registration for all undergraduate courses in Elementary and Secondary education is restricted to students who have been admitted to the Program.** All students registering for Elementary or Secondary Education courses for the Spring semester must have the approval of the Undergraduate Education Program.
3. Information concerning admission to the teacher certification program for students in the College of Arts and Sciences and College of Public and Community Services may be obtained from W/2/142-8, or the University Advising Center. Information about certification in Physical Education is available from the Human Performance and Fitness program.

Generic students' names and their advisors are posted at the College of Nursing Office, 2nd Floor, Science building.

All R.N.'s must make an appointment with Valerie Corrente to review their records and receive their Personal Identification Number (PIN). The appointment schedule is posted on the student affairs bulletin board, 2nd Floor, Science building, outside the College of Nursing.

UNDER NO CIRCUMSTANCES WILL 'PIN' BE GIVEN OUT OVER THE PHONE

SENIORS

All seniors must declare their intent to graduate by submitting a Graduation Declaration Form to the Office of the Registrar.

Deadline dates for submitting graduation declaration form:
For December 1996 ..... August 2, 1996
For June 1997 ..... December 10, 1996
For September 1997 ..... February 2, 1997

Records of students whose filings do not meet the above deadlines will be reviewed after those who do, and such students may **not** be listed in the commencement program and/or may experience other delays.

If a student does not complete all requirements by the declared graduation date, then it is the student's responsibility to submit an updated declaration form to the Office of the Registrar to be considered for a new graduation date.

COLLEGE OF ARTS AND SCIENCES GRADUATION REQUIREMENTS

The undergraduate curriculum in the College of Arts and Sciences is divided into three parts: preparation in general education, a major field of study, and electives to complement the breadth and depth of a liberal education. To assure that all students who are graduated from the College of Arts and Sciences have completed a rigorous and coherent course of study, the college has established a series of seven requirements for the Bachelor of Arts (BA) degree. Students in certain fields may receive a Bachelor of Science (BS) degree by completing an eighth requirement. Students absent from the University for four or more consecutive semesters are subject to all requirements and policies in effect the semester they return.

1. **FRESHMAN WRITING REQUIREMENT**
   CAS students must take a year of Freshman composition (English 101 and English 102) or gain a waiver. Freshman Composition teaches the fundamentals of expository writing and the presentation of research. Expository writing skills are necessary for term papers and written presentation of ideas in all CAS disciplines. Students who place into English 010 on the English Placement Test must complete the composition sequence Eng 010, Eng 101, Eng 102.
2. **THE CORE REQUIREMENT AND**
3. **THE DISTRIBUTION REQUIREMENT**
   To assure that they develop a broad familiarity with the range of human knowledge, CAS students are required to take twelve courses distributed among the following six or seven broadly defined areas:
   I. **The Arts** approach the world through an awareness and use of forms of creative expression such as music, drama, literature, paintings, sculpture and architecture.
   II. **Historical and Cultural Studies** concern the reconstruction and interpretation of the human past and seek to understand both literate and non-literate cultures.
   III. **Philosophical and Humanistic Studies** focus on the analysis of concepts and values, social, ethical, religious and cognitive, and interpret the world through the critical application of such concepts and values to experience.
   IV. **Social and Behavioral Sciences** such as anthropology, economics, psychology, politics, and sociology analyze the world in terms of structures and processes of behavior, of social interaction, and of institutions.
   V. **Natural Sciences** seek an experimental understanding and application of the laws that explain natural phenomena and approach the human world through the study of its natural elements, structures, and processes.
   VI. **Mathematics and Computer Sciences** exhibit self-enclosed symbolic systems whose analytic pleasure and practical uses extend our sense of the nature and processes of human thought and the management of reality.
   VII. **Foreign Languages** provide an understanding of human thought, feeling and culture through a study of the structures, meaning, functions, and development of speech; the study of a language not one's own improves mastery of one's own language and contributes eventually to the understanding of another culture.

For most students the twelve courses will include 5 C Core courses and 7 Distribution courses. Some students, however, are not required to take C courses and will take twelve distribution courses. See the outline below to find out which applies to you.

Core Courses: Students required to take 5 C courses must take three at the 100 level and two at the 200 level.

Core courses are designated by a C in the course number (e.g., Philosophy C108) and are commonly referred to as C courses. Core courses are specifically designed to introduce students to broad conceptions of knowledge and the skills of writing, critical thinking and quantitative reasoning that are necessary for understanding them. They are introductory in character, but not designed as preparation for a specific discipline or as the basic course in a departmental major. C courses are limited in enrollment in order to provide more intense instruction in academic skills. NO MORE THAN FIVE C COURSES — THREE 100 LEVEL AND TWO 200 LEVEL — MAY BE COUNTED TOWARD GRADUATION CREDIT.

Distribution Courses: With a few exceptions, all 100-level and 200-level CAS courses of 3 or more credits are assigned to one of the seven core/distribution areas and count toward fulfilling the requirement. These courses contribute to general education through their breadth of knowledge in one of the following ways: they survey a discipline, they offer an interdisciplinary approach to the subject matter, or they use a relatively narrowly defined topic to investigate major themes in an area of study.

The twelve Core/Distribution courses taken as a whole must be distributed in six or seven of the areas. As many as three courses may be counted in only ONE area, with a maximum of two in the other areas. Students beginning a foreign language at the 101 level must pass two semesters of that language in order for them to count in the distribution. It is possible to waive foreign language and mathematics distribution requirements; see section on "Waivers."

Check the entry dates below to find out which version of the Core/Distribution applies to you:

Students who matriculated Fall 88 and thereafter	FRESHMEN OR TRANSFERS WITH 29 OR FEWER CREDITS must include five C courses among the 12 courses: three C100-level courses and two C200-level courses. TRANSFER STUDENTS who enter with 30+ credits are required to fill the distribution requirement. They are not required to take C courses. If they do, they are subject to the limit of three C100 courses and two C200 courses.
Students who matriculated from Fall 85 through Spring 88	ALL STUDENTS, TRANSFER AND FRESHMEN, are required to include 5 C courses among the 12 distribution courses. Transfer courses assigned to the Arts, Historical/Cultural, Philosophical/Humanistic areas count toward fulfilling the c course requirement. To ascertain which and how many transfer courses were assigned as C core courses students should refer to the Transfer Course Evaluation they received from the Admissions Office when they were accepted or to an "internal" transcript. Upon completion of the C course requirement no more C courses will count toward the 120 credits required for graduation.
Students who matriculated before Fall 85	These students should see an academic advisor to determine core curriculum requirements.

4. **THE WRITING PROFICIENCY REQUIREMENT**

Both the overall design of the Core Curriculum and the materials and methods of individual core C courses assist students in acquiring critical skills. Foremost among these is the ability to present ideas clearly, correctly and persuasively in English prose. For this reason, the College requires students to demonstration proficiency in writing by either passing a proficiency examination or submitting a satisfactory portfolio of papers before the beginning of the junior year. This requirement holds for all students who entered CAS as freshmen in September 1978 or thereafter and for transfer students who entered CAS in January 1979 or thereafter. Students absent from the College for two or more years and readmitted since Fall 1985 must also pass the requirement. Further information about the Writing Proficiency Requirement is available in the College's Core Curriculum Office (M/4/603).

The Writing Proficiency Examination: The examination is given three times a year (in January, June, and August). Dates are posted in the Core Curriculum Office and in the Mass Media. A student should sign up one month in advance of the scheduled date in order to prepare the assigned materials, which should be picked up when the student signs up for the exam. Please check the deadline dates for WPE sign-up. In order to pass the examination, the student must write an acceptable essay based on a set of readings and a question designed to elicit evidence of thorough understanding of the readings, as well as the ability to synthesize material, use evidence, draw inferences, and construct a well-organized response in good English.

NOTE that the Writing Proficiency Exam is NOT THE SAME AS THE ENGLISH PLACEMENT TEST, which all students take upon entrance to the College.

WPE Sign-Up Deadlines: Enrolling for June 1996 Writing Proficiency Exam and Portfolio - Friday, May 31, 1996. Enrolling for August 1996 Writing Proficiency Exam and Portfolio - Wednesday, July 31, 1996. Enrolling for October 1996 Writing Proficiency Portfolio - Monday, October 21, 1996.

The Portfolio: The Portfolio is an alternative method of demonstrating writing proficiency. It may be submitted at any of the scheduled exam times and in October and March. It consists of four papers, each at least five typewritten pages in length. Three of these are expository papers, written for courses, and based on reading materials. The instructor's assignment and verification of originality must be included for each of the three course papers. The fourth essay is new one, written on a topic and a series of readings distributed by the Core Curriculum Office.

Inter D 299: Interdisciplinary 299 (Inter-D 299) is an intensive writing course designed for students who have had repeated difficulty in completing the Writing Proficiency requirement, and who have already had both English Composition 102 at UMB (or its equivalent elsewhere) and Academic Skills 044. The aim of this course is to help students compile a set of papers to be submitted as part of a Writing Proficiency Portfolio. This Portfolio must meet all the requirements of the Portfolio option, except that more than one supporting paper may originate in the Inter-D 299 course. For more detailed information about Inter-D 299, please consult the listing in the Undergraduate Catalog under "Interdisciplinary Courses."

Prerequisites for this course are Junior standing and permission of the instructor.

Failure to take and pass the examination or portfolio. Students should ordinarily have met the writing proficiency requirement by the time they have reached 68 credits; any students who have more than 68 credits will receive written notification of their obligation to meet the requirement. Transfer students with more than 68 credits must satisfy the requirement within one semester of their matriculation. Any student who acquires 90 or more credits without having passed the writing proficiency requirement will be suspended and may not continue to make normal progress toward the degree until the requirement has been satisfied. A student wishing to appeal the suspension should take the following steps:

I. File a formal appeal to the Core Curriculum Office, explaining why the suspension should be postponed for one semester. (Financial need and proximity to graduation are not considered valid bases for appeal.)

II. Sign a formal Learning Contract with a writing specialist in the Core Curriculum Office. This Learning Contract will consist of a plan for the following semester and will probably involve both a course-load reduction and registration in a writing course.

Ordinarily, a student will carry no more than 6 credits during the semester when the contract is in effect; if at the end of the contract semester the requirement still has not been met, the student will not be permitted to register for further courses until the Writing Proficiency requirement has been passed, with the exception of AS-044 or Inter-D 299, at the instructor's discretion.

5. **THE TOTAL CREDIT REQUIREMENT**

CAS students must acquire a minimum of 120 credits to graduate. Only two credits in math skills courses AS 033-034 count towards the degree credit requirements. Credits earned in ESL courses, other than ESL 100D, do not count toward graduation. At least 30 of the 120 credits required for graduation must be earned from the University of Massachusetts-Boston.

6. **THE MAJOR REQUIREMENT**

CAS Students must complete the requirements of one of the majors offered by the college. Major requirements are listed by department in the University Bulletin. In most cases transfer students must complete a minimum of five courses in the major at University of Massachusetts at Boston. Students also have the option of designing an individual major under the supervision of a faculty member. Information on the Individual Major is available from the Academic Support office.

7. **THE GRADE POINT AVERAGE REQUIREMENT**

Students must achieve a minimum cumulative grade point average of 2.0, calculated only from UMB courses, In order to graduate. Students who do not maintain the minimum cumulative average required for retention are subject to probation, suspension, or dismissal. See the University Bulletin for details. Some major programs also require that students maintain a 2.0 in courses taken toward the major. Consult major departments for more information.

8. **THE BACHELOR OF SCIENCE REQUIREMENTS (OPTIONAL)**

CAS students majoring in biology, chemistry, geography, mathematics and computer science, physics or psychology have the option of earning a Bachelor of Science degree. To qualify for a BS degree a student must, in addition to fulfilling

the seven preceding requirements, complete six semester courses outside the major discipline from other sciences. Specific BS degree requirements for each major are listed in the University Bulletin under the major department.

9. **CAS DIVERSITY REQUIREMENT**

Recently many academic institutions turned their attention to issues of diversity within our pluralistic society in order to prepare students for responsible citizenship. The composition of the student body and faculty at the University of Massachusetts Boston reflects the diversity characteristic of the city of Boston, and of the nation as a whole. The campus and the College represent a community dedicated to tolerance, and to the understanding and appreciation of individual and group differences. In order to foster this commitment, the University has instituted a curricular requirement of courses dealing with a variety of human diversities, ranging from race, gender, class, sexual orientation, to culture (including national origin, ethnicity, and religion), age, and disability.

The CAS diversity requirement will apply to all students in the College. The College requirement consists of two courses, one with a focus on diversity within the US, and one with an international focus. Students who enter UMass Boston with fewer than 60 credits are required to take one course from each of these categories. Students matriculating with 60 or more credits must take at least one course from either of the two categories.

The requirement was implemented in two steps. It applied to all first year students who were admitted to UMass Boston in Fall 1992 or Spring 1993 without any transfer credits. It applies to all students, including transfer students, admitted for Fall 1993 and after.

For a complete list of approved courses that satisfy the diversity requirement, please go to the University Advising Center McCormack building, 3rd Floor, room 625.

CM DIVERSITY REQUIREMENT

In May 1991, with the unanimous support of the Student Senate, the Faculty Council at UMass Boston voted to adopt a University-wide Diversity Requirement. The requirement affects all students who enter UMass Boston starting in September 1992.

A diversity course should deal in explicit fashion with two or more issues of diversity in the workplace or the marketplace, defined in terms of race, gender, social class, age, disability, sexual orientation, and culture (understood as ethnicity, national origin, religion, and so forth), in the United States and/or in the international arena. Diversity must be a central consideration within the context of a management course, rather than a peripheral or supplemental theme. A wide range of disciplinary approaches, theoretical viewpoints, and empirical research results are both essential and appropriate. Where possible, materials should be included that allow diverse groups to speak in their own voices.

All students in the College of Management are required to take one course that has been approved as meeting the criteria for a diversity course in either the College of Management or the college of Arts and Sciences. The course which a student selects to satisfy the Diversity Requirement may also be used to fulfill a Field of Study or an Elective Requirement.

For a complete list of approved courses that satisfy the diversity requirement, please go to the University Advising Center McCormack building, 3rd Floor, room 625.

WAIVERS

Freshmen Writing Requirement: The Freshman Writing Requirement may be waived. Students should inquire at the Department of English.

Foreign Language Courses: Students who present evidence through placement scores or transcripts of intermediate proficiency (equivalent to the fourth semester of college work) in a foreign language will receive a waiver for two Foreign Language courses toward the distribution requirement. Native speakers of languages other than English are encouraged to apply for this waiver. Students granted a waiver in a Foreign Language need take only ten courses toward the distribution requirement. Students receiving a BS degree need only show evidence of elementary proficiency in order to waive these courses.

Math Courses: Students who present evidence through placement scores or transcripts of work in Mathematics equivalent to college calculus (Math 141) will receive a waiver for two Mathematics courses toward the distribution requirement. Students granted a waiver in Mathematics need take only 10 courses toward the distribution requirement.

Students who receive waivers in both Foreign Language and Mathematics need take only 8 courses in the distribution requirement.

There are no waivers for the Writing Proficiency Requirement.

COLLEGE OF ARTS AND SCIENCES COURSE LOAD POLICY

Students may enroll for no more than sixteen (16) credits. After the first semester, however, students may take additional course credits under the following conditions:

1. The student's overall grade point average is 3.0 (or above) or the grade point average for the previous full-time semester is 3.5 or above.
2. Written permission is secured from the Associate/Assistant Dean for Academic Studies.

INCOMPLETE POLICY

The grade incomplete (INC) is reported only where a portion of the assigned or required class work, or the final examination, has not been completed because of serious illness, extreme personal circumstances, or scholarly reasons at the request of the instructor. If the student's record is such that s/he would fail the course regardless of the missing work s/he fails.

Permission of the instructor must be obtained and the **Form for Grade Incomplete** must be completed. These forms can be obtained from the appropriate Departmental offices.

A student receiving the grade of "incomplete" is allowed one year in which to complete the course. The new grade must be submitted to the Registrar's Office by the grading deadline for that semester, i.e., by the end of the **next fall** semester for fall incompletes. The grade for any course not completed by this deadline will be converted to the grade of "F."

N/A GRADE

The N/A grade may be placed on a student's transcript if the student has:

- registered for a course, and
- did not attend the course during the Add/Drop period, and failed to drop the course by the published Add/Drop deadline and if faculty take attendance and submit N/A grade roster by designated deadline.

The N/A grade does not affect a student's grade point average. The student is, however, responsible for all tuition and fees for the N/A course. The only condition in which the N/A grade may be removed from a student's transcript is if the student specifically withdraws from the course on or before the published withdrawal deadline.

Faculty who take attendance may submit an N/A by the designated deadline usually during the first month of the semester.

COURSE PASS/FAIL OPTION

You may select only one course each semester, up to a maximum of eight, to be taken on a Pass/Fail basis while working towards your degree. (Mandatory Pass/Fail courses are not counted toward this limit!) The grade of "P" will be given for a successfully completed Pass/Fail course; it will be included in credit toward graduation, but not in your cumulative quality point average. The grade "F" will count as a failure. To select a course on a Pass/Fail basis, you must call the Touchtone Registration System after the end of the Add/Drop period and before the published Pass/Fail deadline. Select the Course Pass/Fail and Withdrawal option (number 2) on the welcoming menu. Select action code '30' for the Pass/Fail option, or action code '80' to cancel a previously selected Pass/Fail option. A Pass/Fail selection cannot be canceled after the deadline. Please note the deadlines published below.

Note: You should carefully check the requirements of your college and major department, or professional program, before exercising the Pass/Fail option.

COURSE WITHDRAWAL OPTION

You may withdraw from courses, within the published course withdrawal dates, through the Touchtone Registration System. The grade of "W" will be given for Withdrawn courses, The "W" grade will remain on your record and will not be calculated in your cumulative quality point average. To withdraw from a course you must call the Touchtone Registration System after the end of the Add/Drop period and before the published deadline. Select the Course Pass/Fail and Withdrawal option (number 2) on the welcoming menu. Select action code '70' for the Withdrawal option, or action code '75' to cancel a previously selected Withdrawal option. A course Withdrawal selection cannot be canceled after the deadline. Please note the deadlines published below. There will be no refunds for course Withdrawals. To Withdraw from all the courses you are currently registered for, you must fill out the appropriate University Withdrawal form available in your advising office. If you are a non-degree student, you must go to the Office of the Registrar (Quinn Administration building, 1st Floor) to fill out a University Withdrawal form. If you withdraw from all of your classes, you will be withdrawn from the University. **Note:** Failure to attend class does not constitute an automatic Withdrawal.

CLASS ATTENDANCE

Students whose names appear on a course roster may be asked to drop the course or be added to the end of the waiting list at the end of the second class session if they have not attended either class or have not communicated their intention of attending the class to the instructor or the department chair in writing. In the case of a class that meets only once a week, failure to attend or to communicate the intention to attend either to the instructor or department chair by the beginning of the second meeting will result in the same action.

MANAGEMENT MINOR FOR CAS STUDENTS

The College sponsors a minor in management in collaboration with the College of Management. Prerequisites include Econ 101, Econ 102, Math 110, Statistics, the completion of 45 credits, a grade point average of at least 2.75 and completion of prerequisite courses with a B- or better. More information and application forms are available in the CAS Office of Academic Support Programs. Application Deadline is March 1 for the Spring Semester and November 1 for the Fall Semester.

RESIDENCY RECLASSIFICATION

Appeal of Out-of-State Residency Billing Status must be filed no later than the last day of the Add/Drop Period. Appeals must be filed on the appropriate form with the University Residency Officer, located in the Office of the Registrar in the Quinn Administration Building, 1st Floor.

COURSE REPETITION POLICY

The Faculty Council and the Chancellor have approved a new course repetition policy. This policy was effective Summer, 1988.

These are the highlights of the policy that you should know about:

- you may repeat any course regardless of the grade you earned in the course (previously you could repeat a course only if you got a grade of "F").
- you may repeat a course only once (previously you could repeat a course as many times as it took to remove a grade of "F").
- you may choose to exercise the option of repeating courses only four times in your undergraduate career.
- if you choose to repeat a course, both grades for the course will be posted on your transcript but only the second grade will be counted toward your G.P.A.

Do you have any questions about this new policy? We bet you do! Here are some of the most commonly asked questions we've encountered so far. If you have any questions we don't answer below, call the Office of the Registrar at 287-6200 or stop by the office located in the Administration Building, 1st Floor.

Q: I've taken Spanish 101 and 102. Can I repeat Spanish 101 for a better grade?
A: No. Courses that are offered in sequence cannot be repeated out of sequence.

Q: I've withdrawn from a course. If I retake this course will it count as one of the four times I am allowed to repeat courses?
A: No.

Q: I've already repeated four courses in my career at UMass/Boston. I have to repeat another course to get into my major. What can I do?
A: Exceptions to the new course repetition policy can only be granted by the *Committee of the college that is offering the course you want to repeat.* You must check with that college's committee.

Q: What happens if I repeat a fifth course?
A: That course will not appear on your transcript. Nor will you receive credit for it toward your graduation.

Q: Should I inform someone if I want to repeat a course?
A: Definitely! You should always check with your advisor before repeating a course. In addition, **after** you repeat the course, you must fill out a Course Repeat Card in the Office of the Registrar, Administration Building, 1st Floor.

HELPFUL HINTS

1. Always keep your receipts to help resolve potential errors.
2. Keep your address up to date in the Office of the Registrar. This our best means of communication.
3. Be aware of deadline dates (ex. add/drop period, course withdrawal, pass/fail registration). The semester calendar is on the first page. Failure to comply with appropriate deadlines can result in severe academic or administrative penalties.
4. Drop or withdraw from courses by the appropriate deadlines. If you are registered for the course, you are responsible for dropping or withdrawing from it whether you attend the class or not. Even if the professor crosses your name off the class list, you must still drop or withdraw from the course through the Office of the Registrar.
5. Expect a schedule confirmation of courses for which you registered about three weeks into the semester. If you don't receive one, check with the Office of the Registrar.
6. Expect a bill for the amount of credits for which you registered. Review the bill carefully. Make sure you are billed for the appropriate number of credits. If you do not receive a bill, check with the Bursar's Office.
7. Keep your schedule books and/or schedule confirmation. You will need the course and section number for Final Exam period and room assignments, as well as Touchtone Registration, Add/Drop, and Pass/Fail or Course Withdrawal.
8. Regardless of College, all students are recommended to seek academic advising at least once per semester.

ADD/DROP PERIOD INSTRUCTIONS

DATES	
Add/Drop Period	September 3 - 10, 1996
Return forms to the Office of the Registrar, September 3 - 10, 1996 Monday-Thursday 8:30a.m.-8:00p.m., Friday 8:30a.m.-5:00p.m.	

INSTRUCTIONS FOR ADDING AND DROPPING COURSES DURING THE ADD/DROP PERIOD, SEPTEMBER 3 - 10, 1996	
Pick up the Add/Drop Form in the Office of the Registrar.	
Add	You should attend the course you wish to be admitted to and speak to the instructor. If the instructor is willing to admit you to the course, have him/her sign the Add/Drop Form in the Add section in the area marked "Approval." Fill out the schedule number and the name of the course and return the form to the Office of the Registrar by September 10, 1996.
Drop	The procedure is the same as adding a course. The instructor whose course you are dropping must sign in the Drop section under "Approval." Fill out the schedule number and the name of the course and return the form to the Office of the Registrar by September 10, 1996. Following this procedure will prevent you from being charged for the course and receiving a grade of "F."
ALL FORMS MUST BE RETURNED TO THE OFFICE OF THE REGISTRAR WITH ALL THE NECESSARY SIGNATURES BY SEPTEMBER 10, 1996 TO COMPLETE YOUR CHANGE IN REGISTRATION.	

IMPORTANT REMINDERS
You will be given a two part Add/Drop Form. The bottom copy will be your receipt for all Add/Drop transactions. Please keep your copy in case there are any discrepancies with your final schedule.
Remember that any course that you registered for through Touchtone Confirmed Registration System or any course added during the Add/Drop period is your responsibility. If you do not intend to take a course you must drop it by September 10, 1996; otherwise, you will have to officially withdraw from the course by November 3, 1996 to receive a "W" in which case you will be charged the complete tuition for the course. Failure to complete either of these steps will result in the grade of "F." Please follow the deadlines and keep a receipt of your transactions. You are financially accountable for all courses not dropped by September 10, 1996.

Students entering the College of Arts and Sciences with **more than** 30 credits are not required to take any Core course (C courses). They need only meet the distribution requirement of 12 courses in at least six of the seven distribution areas. Prior course work, evaluated by Admissions, may meet some or all of the distribution requirement. If prior work does not meet the full requirement students will complete it with UMB 100 or 200 level courses assigned to a distribution area. While **not required** to take "C Core" courses, transfer students may take three and only three C100 level courses and two and only two C200 level courses. C courses taken beyond this limit will not count for graduation credit.

DIVERSITY REQUIREMENT

All undergraduates at UMass Boston are required to take courses that address human diversity as a major theme. UMass Boston believes that the explicit study of the diversity of the world's peoples is an essential component of an undergraduate education.

Attention to cultural and social groups previously marginalized or ignored in the curriculum helps students acquire the analytical tools and knowledge to understand human diversity in our complex and changing world, and strengthens their academic preparation by exposing them to this rich body of scholarship from a wide range of disciplines.

UMass Boston defines diversity broadly to include: race, gender, culture (national origin, ethnicity, religion) social class, age, sexual orientation, and disability.

College of Arts and Sciences (CAS): The CAS diversity requirement will apply to all students in the College. The College requirement consists of two courses, one with a focus on diversity within the US, and one with an international focus. Students who enter UMass Boston with fewer than 60 credits are required to take one course from each of the two categories. Students entering with more than 60 credits may take one course from either of the two categories.

The following courses satisfy the diversity requirement.

PREREQUISITE: ADRENALINE

Drive. Intensity. Those aren't words you're likely to see in many course requirements. Then again, Army ROTC is unlike any other elective. It's hands-on excitement. ROTC will challenge you mentally and physically through intense leadership training. Training that builds character, self-confidence and decision-making skills. Again, words other courses seldom use. But they're the credits you need to succeed in life. ROTC is open to freshmen and sophomores without obligation and requires about 4 hours per week. Register this term for Army ROTC.

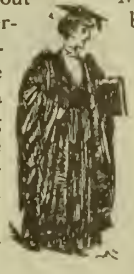
"Help! I'm Graduating!"

Advice for the Post-Grad Job Hunt

by V. Francisco

Graduation is a bittersweet rite of passage for many students. It is indeed a triumph to finally make it through a lifetime of academia, but contemplating what lies out there in the "real world" can strike terror into the hearts of even the most rugged of Phi Beta Kappas. If you're one of the many students who don't have a 25K-a-year job in your field awaiting you after the ceremonies, the mere thought of graduation is probably enough to make you wish the life of lecture halls, soul-consuming stress, all-nighters, and take-out pizza will never end. If that's the case for you, you could probably use some advice.



Rumor has it that the job market has begun to improve for recent college graduates, making a comeback after the "corporate downsizing" trends of recent years. Unfortunately, however, it's still true that a degree simply doesn't mean as much as it did to our parent's generation. Having one just doesn't shout out to the world "hey, lookee here, I'M EMPLOYABLE!" But don't get yourself in a panic over this just yet.. Whether you've had your career plans set in stone since age five or you're still struggling over choosing a major, a little pre-grad preparation can make the post-grad job hunt far less ugly.

Something to think about early on is working, interning, and volunteering. Such experience throughout your college career is good for the soul and essential for the résumé. Most employers appreciate your degree, but with the fierce competitiveness of today's job market, you need to prove that you can apply your intelligence in a practical way as well. (You also need more objective references than your mother or your best friend). Having work geared towards eventual career goals is great; but don't worry if you don't have sight of such goals yet. A bunch of more-or-less-unrelated jobs can show that you're adaptable and have a wide range of experience and skills.

On-campus employment, campus media opportunities, peer tutoring jobs, research assistantships, work abroad programs, and so on, are usually closed off to you after you've got your diploma in hand—or soon thereafter. The same goes for free access to your job/career center: full of books, counselors, job and internship listings, résumé and interview help, just waiting for you to use. And for you non-technical types: it almost goes without saying these days, but computer literacy is a must. Be sure to take advantage of your school's computer labs. And if you haven't already gotten with the program, get Internet access; use it in making post-grad plans. Use your campus resources while you still can!

Perhaps, though, graduation has snuck up on you, and you just don't have time for all this stuff. Everyone can, and should, do some soul searching. After all, if you're panicking because you have no direction, then you simply need to sit down, breathe, and find some. On paper, take stock of your talents and your shortcomings, from personal qualities to concrete skills. Answer questions like "What kind of environment do I want to work in?" "What type of people do I want to work with?" And, of course, you need to consider the practical question of money. Based on all this, list jobs you can see yourself doing and enjoying. Hit the library and pour over career sourcebooks and Sunday want ads for ideas—there's a lot of jobs out there that you've probably never heard of or considered. Then, talk to people—friends, relatives, or strangers—who have jobs that you're interested in, and get the inside scoop on their field. Local businesses may be willing to give you guidance as well.

So remember: get focused, but stay flexible—this attitude will help immensely in getting the kind of job you want. There *is* stuff out there for you, even though it may be a lot of work to find. Good luck...and happy hunting!

Registration will be held at the end of August. For further information please contact the Office of Admissions Information Services at 287-6000.

In order to register for a course, you must fill out a Graduate Non-Degree Registration Form and have it signed by the Graduate Program Director for the program in which the course is offered, or the professor who is teaching the course, if permitted. The form must be submitted to the Office of Graduate Admissions and Records with full payment to complete your registration. The deadline for submitting the registration form is Tuesday, September 10, 1996 at 7:00 p.m.

Please note: Graduate Admissions and Records can accept payment made by Mastercard, Visa, Discover Card, check or money order. Cash must be paid at the Bursar's Office and the receipt brought to Graduate Admissions and Records.

Important Reminders

You are financially responsible for any course for which you register unless the course is dropped by September 10, 1996. If you plan to drop a course, please do so early so someone else can be given your space.

Failure to attend class without officially dropping does not remove your financial obligation.

If you owe money for the Spring 1996 semester, or have not turned in the Student Health History and Immunization Report, you will not be allowed to register unless your obligation is cleared by Tuesday, September 10, 1996. If you owe money for a previous semester, please contact the Office of Graduate Admissions and Records when your obligation is cleared so we can inform you how to get reinstated.

Continuing matriculated students who were not enrolled in courses during the Spring semester 1996, will not be allowed to register if the program fee was not paid by March 12, 1996. Students who did not pay the program fee by March 12, will be required to submit a readmission form with the approval signature of your Graduate Program Director and the required fees by August 5, 1996.

FALL 1996

The schedule which appears in the following pages is for the convenience of students taking courses in what we call our "extended day"– the late afternoon and evening hours. The majority of these courses begin at 6:00pm (18:00 hours) and meet once a week for two-and-one-half hours Monday through Thursday evenings; the rest meet twice a week for one hour and fifteen minutes.

Programs Available in the Evening

Many of the University's more than sixty degree programs are represented by extended day courses. In some programs, students can complete all degree requirements through evening study alone–that is, by taking courses scheduled after 5:00pm. These programs are:

DIVISION OF CONTINUING EDUCATION

Evening Courses Off-Campus
Saturday Courses On-Campus

The University courses which appear on the following pages are offered during the evening at off-campus locations and on Saturday mornings at the Harbor Campus. Most classes meet once a week for two and one-half hours. These courses are open to all, including UMass Boston students, and are applicable to bachelor's degree requirements. Students (including financial aid recipients) are free to combine day, evening on-campus, evening off-campus, and Saturday classes during any semester.

To Register

To register for an off-campus or Saturday course, *you must fill out a continuing education registration form at the Office of the Division of Continuing Education (Wheatley 2/203).* The office is open from 8:30am to 6:00pm Monday through Thursday and from 9:00am to 4:00pm on Friday. Continuing Education course fees are computed at the rate of $135 per undergraduate credit and are separate from on-campus tuition charges. Students registering for off-campus or Saturday classes also pay $30 in registration and service fees but do not pay health, athletics, or activities fees. Full payment is required at the time of registration. The Division of Continuing Education accepts personal checks, MasterCard, VISA, and Discover for the payment of off-campus and Saturday course fees.
